**GARMIN:** один - для ВСЕХ!

*Turn off the light, closed for the night.  
Go hit the town, real scary clown.  
Boots to the gas, on over pass.  
Nuvi on its perch, Google local search.  
Find the cafe, opened yesterday.  
There on the right, go grab a bite.  
Local event, curling tournament.  
Sweep til it burns, follow the turns.  
Back to the store, a fuel efficient route.  
Yikes there's the clown, on a round-a-bout.  
Give a, Give a, Give a, Give a Garmin
